## Zebex Z6170 Driver ((EXCLUSIVE)) Download

#01-Feb-2014 10:08 PM USER-MD467P89823 Posts: 34 / Registered:Q: Iphone application getting to slow while network become slow or no connection I am new to iPhone development. I created an application for SMS and call receiving. But when my network becomes slow it get to sluggish and also after that if my network is off then user gets to dial a wrong number. So how I can overcome this problem? I am using one implementation of code which is from stackoverflow question number 12472865. My settings are as follows Code in didRegisterForRemoteNotificationsWithDeviceToken method as follows. `-(void) didRegisterForRemoteNotificationsWithDeviceToken:(NSData *) deviceToken{ NSString *str = [[NSString alloc] initWithData:deviceToken encoding:NSUTF8StringEncoding]; NSLog(@"str: %@",str); //NSLog(@"Device Token: %@",str); if([str isEqualToString:@"0:0:0:0:0:0:0:1"]){ //Message Received Alert Banner } } This is the code I am using in didFailToRegisterForRemoteNotificationsWithError -(void) didFailToRegisterForRemoteNotificationsWithError:(NSError *) error { NSLog(@"Device Token: %@",error); } Another question : Can I create an application for SMS and call receiving at the same time? A: At the end I've modified the code to add a Condition, it is working fine now. -(void) didRegisterForRemoteNotificationsWithDeviceToken:(NSData *) deviceToken{ if([str isEqualToString:@"0:0:0:0:0:0:0:1"]){ //Message Received Alert Banner } } %YAML 1.1 %TAG!u! tag:unity3d.com,2011: ---!u!21 &2100000 Material: serializedVersion: 6 m_ObjectHide`

Good news... My husband and I celebrated Valentines Day and our first date in over 4 years. Not bad I guess. We had a lovely dinner at Rosso Romano. I swear it was the best Italian food I have ever had. Then we went for a little quiet drive down by the sea. I love the big silver pond... No comments: Post a Comment About Me I am a full time mom to my 2 wonderful daughters, 5 and 4. In my spare time I am an aspiring writer, scrapbooker, photographer and a crafter. My days are very busy. I am rarely at home and when I am, it is with a camera in my hand. It's not that I don't want to be home... I do... I just have a hard time deciding what to be and when to be it. I am not a morning person and usually don't go to bed until the mid night hours. My work schedule often means I am working or out the night
